SUMMARY

Highly skilled Web Developer with a strong foundation in front-end and back-end development. Proficient in HTML, CSS, JavaScript, and popular frameworks like Bootstrap, Tailwind CSS, React, and Node.js with Express. Experience building user-friendly and interactive web applications utilizing MongoDB for data storage.

EXPERIENCE

- I may not have practical experience, but I aspire to be your first work in my career with all the enthusiasm I carry for work and excellence in achievements that are commensurate with your vision and goals

PROJECTS

Dev Squad Portfolio

dev-squad-portfolio.vercel.app/ • December 2024 - December 2024

- This is a dynamic, modern portfolio showcasing my skills as a front-end developer. I've leveraged a combination of HTML, CSS, JavaScript, and React.js to create a visually appealing and user-friendly website.

Coders Coffee

coders-coffee-wine.vercel.app/ • November 2024 - November 2024

- Developed a website for selling coffee in modern design
- By leveraging the power of modern web technologies, this website provides a delightful online shopping experience for coffee lovers.

Restaura

restaure-sage.vercel.app/ • October 2024 - October 2024

- This is a visually stunning and user-friendly website designed to showcase the culinary delights and ambiance of Restaura. Built using HTML, CSS, JavaScript, and React.js, this website offers a seamless online experience for customers.

Space website

ahmed-mustafa-kamel.github.io/responsive-space-website/ • September 2024 - September 2024

- Deployed a responsive website with a creative and modern design
